Welcome to our practice!

We want to thank you for allowing us to serve your dental needs. The following information is provided to ensure a smooth transition into our practice.

Please complete the new patient forms and bring them with you to your first appointment. We ask that you arrive 15 minutes prior to your appointment time so we are able to review your paperwork and gather the information we need. Your appointment has been reserved exclusively for you. Please notify us at least 48 hours in advance if you are unable to keep this appointment.

If you have dental insurance, please bring your current dental insurance card. As a courtesy, we will assist with the filing of your insurance claim.

For self-pay patients, payment in full at the time of service will be collected upon completion of your first appointment. We accept cash, check, and all major credit/debit cards.

If the patient is 17 years old or younger, our policy is a parent or legal guardian must accompany the child to his or her first appointment.

Thank you! We look forward to meeting you soon.

Sincerely,

Dr. George O'Hearn and Dr. Sheila Kittell
